Being a part of the Journey to the North Pole™ is a very rewarding experience. The looks of joy on the faces of our guests, young and old alike, is guaranteed to keep you coming back year after year. Whether this is your first season, or you are a Journey to the North Pole™ veteran, we're glad to have you on our team and look forward to sharing our 23rd season with you.

The following is a brief description of the different volunteer positions available to guide you in deciding what job is right for you. Although we are prepared for you to join us either for the afternoon or evening performance, it would be great if you stayed for both performances on the evenings that you choose to volunteer.

*THERE WILL BE FOOD BETWEEN SHOWS FOR THOSE VOLUNTEERING FOR BOTH PERFORMANCES.

**** Please be aware that Lincoln dates are different from North Conway, see back for details!**

• **Greeter: (3-5 per performance)**

Shift Times: 3:30pm - 4:30pm & 6:00pm - 7:00pm

Be the first to set the tone for a truly magical evening as you welcome all of our excited guests upon their arrival at the train station. Hand out programs, take tickets, and help our guests aboard the train. And don't forget to wave goodbye as they travel to the North Pole!

• **Elf (Maximum: 60 per performance)**

Shift Times: 4:00pm - 6:30pm & 6:30pm - 8:40pm

What's your elf name? Join us for some of the most fun you'll have all holiday season. Become an elf and greet guests as they arrive at the North Pole. Guide them up the path with the glow of your lantern and lead them inside the theater to enjoy the show! After each performance assist in guiding them safely down to the train.

• **On-Train Chef: (15 per performance)**

Shift Times: 3:30pm - 6:30pm & 6:15pm - 9:00pm

Become one of the stars of the show as you ride aboard the Journey to the North Pole! We provide the chef costumes, you provide the fun by serving hot cocoa, passing out candy, singing carols, and keeping the magic alive during a very special journey to the North Pole. Some light cleaning required between performances.

• **Secret Kitchen Chef: (2 per performance)**

Shift Times: 2:30pm - 3:45pm & 5:00pm - 6:15pm

Meet your team in our "secret kitchen" where you will use our magic formula to create hot cocoa "as thick, and rich as melted chocolate bars!" Assist with delivering the hot cocoa to the trains full of excited guests!

If you, or someone you know, is interested in volunteering for the key positions of Santa or Readers, please contact our office to schedule an "audition" today!

Also, adult Team Captains & Supervisors are always needed, as well as a few overall Supervisors. If you've had experience with this event, we could really use your dedicated help along with other people you may know who would do the same.

Volunteering is not only a fun and rewarding experience, but your work will also help the efforts of The Believe in Books Literacy Foundation in supporting literacy initiatives throughout New England! Here are some other great benefits our volunteers enjoy as well:

- Scholarships
- Merchandise Discounts
- Special Events
- Recognition
- Camaraderie
- Making a Difference!

We hope you will join us in the 23rd season of The Journey to the North Pole™ Event! The Journey to the North Pole™ Event is a 2 hour performance from start to finish for our guests. We will be running 16 nights this year in North Conway and 14 nights in Lincoln where we will entertain over 25,000 guests from destinations throughout the U.S., Canada and beyond!

For those of you who choose to join us, we can't thank you enough. It may be a little work, mostly just a time commitment, but the looks on the children's (and adults) faces are a special reward, and will keep you coming back season after season.

You will be part of over 100 volunteers involved each night! Whether you would like to volunteer for an hour and a half, or the whole night through, we have a job for you! Orientation sessions will take place at the beginning of each performance to prepare you for any position.

Your job as a volunteer is to help our guests "Believe" in the magic of the Journey to the North Pole™ and have a truly magical experience. The most important thing to remember is that while you are in costume, you must "become" that part in this intricate four-dimensional play. Volunteers are "on stage" for the whole time they are in costume. Whether you are a chef, greeter, or elf, if you "Believe" and have fun our guests will too!
